Internship Overview

The Investment Internship at Sofina's Brussels office is a six-month paid programme, focusing on our growth equity investment activities. You will work closely with our investment team and gain hands-on experience, from sourcing and market analysis to due diligence, deal structuring and portfolio monitoring.

What You Will Do

- **Industry & Sector Analysis:** Research emerging trends and identify investment opportunities.
- **Market Screening:** Proactively source targets that match Sofina's investment mandates.
- **Investment Review:** Evaluate potential deals and support rigorous opportunity assessment.
- **Due Diligence Support:** Assist across all stages of due diligence, ensuring thorough analysis and documentation.
- **Investment Memo Preparation:** Prepare internal and external materials that communicate findings and recommendations.

Who You Are

- Recently completed a Bachelor's degree, or currently completing a Master's, ideally with prior exposure to strategy consulting, investment banking, VC, PE or a fast-growing startup.
- Passionate about private equity, venture capital or investing generally, with a solid grounding in finance and accounting.
- Strong analytical skills and the ability to work independently in a fast-paced, collaborative setting.
- Fluent in English and eager to learn from experienced industry professionals.

Practical Details

- **Location:** Brussels
- **Duration:** 6 months
- **Work Permit:** Candidates must be eligible to work in Belgium, Sofina will not provide sponsorship for the internship

Why Sofina?

- **Mentorship & Development:** Work closely with experienced investment professionals and gain exposure to high-profile deals.
- **Global Exposure:** Contribute to projects spanning multiple regions and sectors, building your network and market perspective.
- **Responsibility from day 1:** Take on real ownership from the start, with direct exposure to live deals and the decision-making process.
- **Dynamic Culture:** Join a collaborative team where entrepreneurial spirit and innovative thinking drive our success.
